

Blake Stevens

- A. My major is finance/Econ I want and am going to procure a career of Insurance broker and financial planning or Hedge Fund manager.
- B. My only background is in is101 and gaming aspects not software intellect with some despot experience.
- C. I am from San Mateo California just south of San Francisco. I am the only son I have an older sister that went and graduated from University of Oregon. I also have 2 older cousin that I consider my brothers 4 and 6 years older however I can recall weekends staying at there house with restless nights being the normal. I choose Reno because I had friends that came here and convinces plus it was cheap but that was not a concern for me money was never the issue. I like football baseball and the gym for mental and health reasons, my favorite money is both Star Wars: Revenge of the Sith / Sandlot, I can't pick one or the other. My passion is become rich not rich by myself everyone around me too.
